DIAMOND SEA-GLAZE WINDOW AND DOOR ORDERING INSTRUCTIONS

Please see product information for available options for each product.

TO ORDER WINDOWS

STEP 1: Make cutout size templates as specified in template instructions.

STEP 2: Attach a completed window information sheet to each template.

STEP 3: OPTIONAL If all windows are 90 degrees (rectangular shapes) or you prefer to do cutout size drawings it is not necessary to make templates. In this case only the window information sheet is required.

STEP 4: Complete an order cover sheet and send all information to Diamond/Sea-Glaze.

Note: All fields must be completed for your order to be processed.

TO ORDER DOORS

Follow the same steps as ordering windows except you will use the door information sheet.
